B. Brown Act

Because the Brown Act establishes the most important set of regulations that guide the conduct of the MAC in its role as a “subsidiary body” of the Board of Supervisors, it is advisable from time to time to review with the MAC members and the community the requirements of the Act that apply.

Presenter: Pat Malberg, Aide to Supervisor Jennifer Montgomery

11. ACTION ITEM – Community Service Award “Kiosk” Location

Discussion and recommendation, based on input from Auburn Recreation District (ARD) Director, Kahl Muscott, of how best to determine the design, location and installation for the Community Service Award plaque “kiosk” in coordination with ARD. Crew Leader Pat Shane is the contact person at ARD.

The MAC will also have a discussion regarding the fundraising to pay for the “kiosk” and its placement, along with the purchase of the trees each year.

Background: At the last meeting of the Meadow Vista MAC, on September 1, it was decided that “a single large board with individual plaques naming all the recipients be created and housed in a ‘kiosk’ near the trees.” The County will pay for the large board and the plaques, and for the annual engraving of the plaques. It will be up to the community to fund the kiosk, its installation and the trees, starting in 2011.

12. FUTURE BUSINESS and ANNOUNCEMENTS: Next MAC Meeting – [December 1, 2010](#)

13. ADJOURNMENT

Placer County is committed to ensuring that persons with disabilities are provided the resources to participate fully in its public meetings. If you require disability-related modifications or accommodations, including auxiliary aid or services, please contact the Board of Supervisors' office.
